03/2025

## **Introduction**

The Board of Directors of the Concord Hills Homeowner's Association (CHHA) and its Recreation Committee hope that the following information will help you and your family enjoy our recreational facilities to the fullest.

The recreation area is owned by the CHHA. It is operated by the Recreation Committee, a committee of volunteers reporting to the CHHA Board of Directors. Members of the Recreation Committee and the elected Board of Directors are posted on the Concord Hills website.

Use of facilities within the fenced areas (swimming pools, pool pavilion and Pickleball/tennis courts) is only for families who have paid the appropriate amenity fees as posted on the website.

## ***Concord Hills Recreation Club Culture***

**"Cleanliness and Safety is Everyone's Responsibility"**  
Our Recreation Facilities are operated by part-time volunteers made up of your Concord Hills neighbors (along with minimal paid staff). Please do your part by cleaning up after yourself (fresh food spills, left items), returning the pool furniture to the proper location and manner it was found and helping to enforce safety rules with all present. Each member has a right to expect a neat and clean recreation area and an enjoyable experience. We can ensure that if we each do our part to make that happen. Please report any issues to the Recreation Committee at [recreation@concordhillsfarragut.com](mailto:recreation@concordhillsfarragut.com)

## **Rules and Regulations**

The rules and regulations that govern the operation of the facilities are specified below. Members must fully comply with them and must instruct their children and guests to observe them. Members and guests must follow all instructions. All members, the

Pool Manager and the Recreation Committee have the responsibility to enforce the rules for the safety and enjoyment of all. The current rules and regulations are posted on the website and at the pool facility and are subject to change.

The Recreation Committee has the authority to revoke facility privileges either temporarily or for the season. No refund of dues will occur for any such revocation of privileges.

Anything not covered in the rules may be deemed inappropriate or disallowed by judgement of the Rec Committee during the season. This ruling would be considered as if it were a written rule. **The authority of the Recreation Committee or Board of Directors on any matters pertaining to the recreation areas is absolute.**

Suggestions or complaints may be made to the pool manager or online at

### *Please note the following regarding access:*

1. External members—The CHHA allows a limited number of external, non-resident families to pay the amenity fees and use the facilities.

2. Swim Team—The Concord Hills Piranhas have a special and valued place in our neighborhood. They use our main swimming pool, and their practice and swim meet times/dates are posted at the pool facility and on the website. The minimal impact on member access is as follows:

a. Morning swim practice—From 8:00-12:30, Monday through Friday, the Piranhas have exclusive use of all swim lanes in the main pool. The small end of the pool with no lanes and the rest of the facility are still open to members for use. From 12-12:30 pm, only the two far left lanes will be used by the Swim Team with the remainder of the pool available for members.

b. Afternoon swim practice—From 4:30-6:00. Same as morning practice except that if a pool member wants to swim laps, lane 6 (far left) will be made available to the member.

c. Swim meets—There are generally four swim meets per season. The Piranhas have exclusive use of the fenced pool areas during the scheduled times. Meets will be announced via weekly emails to members, and on the sign by the gate.

3. Playground facilities— All Concord Hills residents are welcome to use the playgrounds and basketball hoop at the recreation area.

4. Access year—Paid access runs from May or when dues are paid through May of the following year. Access to the pool area is restricted to the pool season.
